

agreement with Southwest-Northern Nevada under which it would increase its billing determinants by 2,455 Dth/d under Paiute's Rate Schedule FT-1.

Paiute proposes that the rates for the services to be provided by means of the proposed facilities be designed using an incremental facilities surcharge in Rate Schedule FT-1 applicable to the two shippers receiving additional service as a result of the expansion, under which the costs and revenues related to the construction of the proposed facilities for service to the Truckee and Incline Village areas will be considered on an incremental cost basis.

Any person desiring to be heard or to make any protest with reference to said amendment should, on or before July 19, 1995 file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission Rules of practice and Procedure (18 CFR 385.211 or 385.214) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protest filed with the commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceedings. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules. All person who have heretofore filed need not file again.

**South Georgia Natural Gas Company; Notice of Petition for Limited Waiver of Transportation Tariff Provision and Extension of Time to Make Tariff Filing**

June 28, 1995.

Take notice that on June 23, 1995, South Georgia Natural Gas Company (South Georgia) filed a petition for a limited waiver of Section 19.2 of the General Terms and Conditions (GT&C) of its FERC Gas Tariff, Second Revised Volume No. 1.

Section 19.2 of the GT&C provides for an annual redetermination of South Georgia's fuel retention percentage (FRP) based on the gas required for operations during the previous 12-month period ending April 30 plus any amount of fuel that was undercollected or overcollected during that 12-month period. South Georgia is to file revised tariff sheets reflecting the adjusted FRP

within 60 days after April 30 to be effective within 30 days thereafter on a prospective basis only.

South Georgia is requesting that the Commission grant it an extension of time until September 1, 1995, to tender its revised tariff sheets reflecting the new FRP to be effective October 1, 1995, pursuant to Section 19.2 of the GT&C. Since the data for the 12 months ending April 30, 1995, show that the FRP should be significantly higher, South Georgia submits that it is in the interests of its shippers for it to be granted additional time to ensure that the data contains no anomalies or errors which should be disregarded in the prospective adjustment to the FRP. Since the change to the FRP will be prospective only, South Georgia submits that no harm to its shippers will be caused by the proposed extension of time.

Southern states that a copy of the filing is being served on all of the South Georgia shippers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, NE., Washington, DC 20426, in accordance with 18 CFR 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before July 6, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the public reference room.

**Tennessee Gas Pipeline Company; Notice of Compliance Filing**

June 28, 1995.

Take notice that on June 23, 1995, Tennessee Gas Pipeline Company (Tennessee), filed a revised pro forma tariff sheet and supporting workpapers in accordance with the Commission's order issued on June 8, 1995 in Docket Nos. RP93-148-004 and RP95-62-002]

Take notice that on June 23, 1995, Tennessee Gas Pipeline Company (Tennessee), filed a revised pro forma

tariff sheet and supporting workpapers in accordance with the Commission's order issued on June 8, 1995 in Docket Nos. RP93-148-004 and RP95-62-001.

Tennessee states that its filing complies with the Commission's requirement that Tennessee file "a revised tariff sheet that reflects the removal of demand costs related to its merchant function and company use gas during the period from September 1, 1993 through August 31, 1994, \* \* \* and supporting workpapers for its revised TCRA [Transportation Cost Rate Adjustment] rate." Tennessee states that its filing removes \$887,206 of demand costs from its TCRA for the applicable twelve-month period.

Any person desiring to protest this filing should file a protest file with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests should be filed on or before July 6, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. **[Docket No. RP95-356-000]**

**Transwestern Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff**

June 28, 1995.

Take notice that on June 23, 1995, Transwestern Pipeline Company (Transwestern) tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets:

*Effective July 10, 1995:*

3rd Revised Sheet No. 95A  
4th Revised Sheet No. 95C  
3rd Revised Sheet No. 95D  
3rd Revised Sheet No. 95E  
3rd Revised Sheet No. 95F  
3rd Revised Sheet No. 95K  
2nd Revised Sheet No. 95M  
3rd Revised Sheet No. 95N

Transwestern states that on May 31, 1995 in Docket No. RM95-5-001 the Commission issued Order No. 577-A (order). This order, to be effective July 10, 1995, revises 18 CFR Part 284.243 (h) of the Commission's capacity release

regulations. The Commission had earlier issued Order No. 577 on March 29, 1995. In Order 577 the Commission extended the exception from advance posting and bidding to one full calendar month. In Order No. 557-A the Commission, responding to a request for rehearing or clarification, revised the language of the regulation to substitute "31 days" for "calendar month."

Transwestern states that the purpose of this filing is to amend Transwestern's FERC Gas Tariff to conform to the provisions of this Order.

Transwestern states that copies of the filing were served on it gas utility customers, interested state commissions, and all parties to this proceeding.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C., 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. All such motions or protests should be filed on or before July 6, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

### **Williston Basin Interstate Pipeline Company; Notice of Compliance Filing**

June 28, 1995.

Take notice that on June 22, 1995, Williston Basin Interstate Pipeline Company (Williston Basin), tendered for filing revised tariff sheets to Second Revised Volume No. 1 of its FERC Gas Tariff.

Williston Basin states that, in accordance with the Commission's June 7, 1995 Order, the revised tariff sheets modify its nomination variance charge provisions to assess, on a pro rata basis, receipt/delivery point total charges only on those individual shippers at such receipt/delivery point which exceed the threshold tolerance for volumes under their aggregate service agreements at the affected receipt/delivery point.

Williston Basin has requested that the Commission accept this filing to become effective July 1, 1995.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Rule 211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests should be filed on or before July 6, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.

#### **Office of Enforcement and Compliance Assurance**

**Title:** Compliance Assistance Measures of Success Reporting Form. (EPA ICR #1758.01 and OMB #2060-xxxx.)

**Abstract:** This ICR is for a new information collection in support of the Office of Enforcement and Compliance Assurance's (OECA) efforts to evaluate

their compliance program through use of performance measures. This information will be collected on the performance of compliance assistance programs, other than those operating under section 507 of the Clean Air Act for which there is a separate ICR in use. The information will be collected so that EPA can better understand the effectiveness of compliance assistance programs vis a vis enforcement programs and so that success stories can be shared between programs. Under this Information Collection Request (ICR), State compliance assistance programs other than those operated under Section 507 of the CAA, will be responsible for reporting to EPA and associated recordkeeping.

State compliance assistance programs will be responsible for reporting: (1) Name of State or Regional program; (2) program utilization; (3) program effectiveness-improved understanding or environmental requirements, behavioral changes, changes in compliance rates and environmental improvements; and (4) data based on industry or population type.

State compliance assistance programs will be responsible for recording all applicable information pertaining to the reporting requirements.

**Burden Statement:** The total annual public reporting and recordkeeping burden for this collection of information is estimated to be 2650 hours, for an average of 25 hours per respondent. This includes time for reviewing instructions, searching existing data sources, gathering the data needed, completing the collection information and maintaining records.

**Respondents:** State Compliance Assistance Programs.

**Estimated Number of Respondents:** 106.

**Estimated Total Annual Burden on Respondents:** 2650 hours.

**Frequency of Collection:** Annually.

Send comments regarding the burden estimate, or any other aspect of this information collection, including suggestions for reducing the burden, (please refer to EPA ICR 1758.01 and #2060-xxxx) to:
